SUMMER INTERNSHIP / WORK EXPERIENCE	
REACTJS INTERN, Tidbeat	Jun 2021 - Aug 2021
Tidbeat is a Hyderabad-based startup company, where my role was REACTJS INTERN starting from 30th June 2021 to 30th August 2021. I had a good experience at Front-end, working with a team and connecting with different people to get to a solution for the problem	

PROJECTS	
Smart covid Kit - IOT	Jan 2022 - Apr 2022
Report for Smart Covid kit We created an IOT-based smart covid kit, to provide an array of useful functions. The kit will consist of a hat with a sensor to stop a person from touching their face, no contact doorbell to prevent contact, and a hand wash timer to ensure thorough washing.	
Online Car Parking Reservation Systems - website development	Jan 2021 - Apr 2021
Online Car Parking Reservation Systems We made a sample protocol type to showcase our idea. Where users can log in to our website and book parking tickets. We use the reactjs for the frontend and firebase for the database.
